ANSWER

THE WRITING STYLE  
IS INTERESTING,  
BUT THE EMOTIONS  
OF THE MALE  
CHARACTER AREN'T  
STILL DONE WELL  
ENOUGH

THE COMPOSITION  
IS WELL ORGANIZED,  
BUT THE FEELINGS  
OF LOVE STILL CAN'T  
QUITE BE FELT

WELL, WHAT CAN I DO  
ABOUT IT...  
ALL THE BOYS AT MY SCHOOL  
ARE BAD...

NONE OF  
THEM IS  
GOOD-  
LOOKIN'

...HMM

THEY USE  
TO WRITE  
ABOUT HEA-  
LINGS OF  
LOVE, BUT  
HOW COULD I  
WRITE ABOUT  
SOMETHING  
LIKE THAT?

FROM THE ANG  
CHARACTER IN PAGE 1

AH...  
TOO BAD  
FOR YOU...  
MY  
BOYS  
ARE ALL  
GOOD-  
LOOKIN'

HEY,  
TODAY I'LL  
INTRODUCE  
YOU

GREAT...  
GREAT!

AH...  
REALLY?

MINDO  
HAS EVEN  
A BOY-  
FRIEND AT  
SCHOOL...

BUT IT'S  
NOT THEM...

I HAVE  
MANY  
MALE  
FRIENDS  
...  
BUT  
BEING JUST  
MALE  
FRIENDS  
OF THE  
SAME AGE  
DOESN'T  
PROVIDE  
MUCH FOR  
THE PICTU-

THEY ARE  
SO STUPID  
CHILDISH AND  
ROWSOME...  
AND THEY  
TALK ONLY  
ABOUT OBVIOUS  
STUFF TOO!

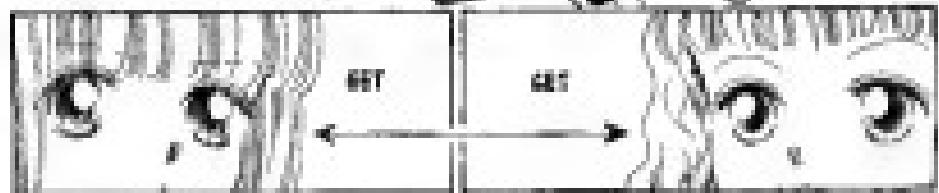

HMM  
IS  
THAT SO

— 1 —

Then I read from  
Letters, there are a  
lot apparently by  
those who dream of  
becoming members  
that the name is  
a story that one day  
answers all the  
questions of the  
angels existence.  
Personally, this story  
is very close with my  
surroundings, so it  
will be no easy task  
to write! All the way  
to the end I wrote it  
with happiness.  
Therefore I wish that  
this name can be  
available to anyone  
who wants to be a  
member. Despite how  
I wrote, I've been a  
member for 10 years  
now and I summarized  
what I've felt in the  
beginning until now in  
this name.

Becoming a mangaka! It's my dream. But, apparently I have quite a heavy load in starting my career, she is Maho Kityuu, my friend. At first we competed to get a quite cool editor, but because we both broken hearted, then our competition turned into manga writing and our lives as mangaka... I don't know who between us is truly the winner...

Hearing that, I started sketching. At the same time, I got "Omen... she has it!" and I wanted to continue writing. I wrote it for myself. I thought it was a dream, I felt so real than when writing when I wake up, I felt so happy and so if you get inspired...

Another is the story that I created many years ago. I tried my best in writing this story by reciting the message in my dream. I didn't consider using it until I thought about a story in a dream. The kind of story that most people won't

Then, the Germany was very pretty from the sight several places, such as Neuschwanstein castle. It was a really nice city with the unique castle, and the red roof of houses. We finally plan was for Germany Germany in the country that I work the night on my hypothesis, probably

A large, bright white circle is centered in the middle of the image, surrounded by a dense border of autumn foliage. The leaves are a mix of red, orange, yellow, and green, creating a rich, textured frame. The background beyond the leaves is a soft, out-of-focus landscape.

Rules from 10AM to night!

Sorry for the late release! If there's anyone left, enjoy the last chapter! (I never move on until it's finished)

Hello, I'm the author of your article lesson with such joyous! This is my first project that I picked up, and hope to continue on. I chose *Death Note*, because it's already 1 book long, with 3 chapters. A great project for a language project?

But I am a fan off Yukio Mishima's novel, *Death Note*, following his works for quite more than 10 years now and 10 years ago I thought working on a manga of a masterpiece that I adored, wouldn't make me get bored until the next time so I started to use, and translating page by page, I learned how to edit them (fixing the manga's style, translation, culture, Help from my dad, and you also Mr. Dohka, Satoru, & Shizuku (thank).

Due to it suddenly wasn't as easy as I expected it to be, I thought was long about was hard, but unfortunately I couldn't do all things by one self and working with other people was not as fun "", but somehow I made it the *Peach marker chapter*. I started another new projects, with new people, and last time on the way the manga, which I chapters, that don't look think we needed to finish it (with your help) I didn't manage the answer "", and I even thought of dropping the project or giving it to other editor to finish it but my eye fixed on the Peach tree project, and I did it! **12 pages**, my first completed project is done.

Some of thanks for the hard editor, your insertion has been accepted me! ""

Author: **Hana Hidaka**

"That's enough of *Death Note*! Hehehe", I found the *Death Note* books such as *Death Note* for *Misaki*, *Chika*, *Yuki*, *Shizuku* and *Satoru*, *Death Note* all created off *Death Note* *Manga*!"
